

Where do I start?

In the College of Engineering and Science, our 8 engineering degrees and 4 science degree curriculums begin in MATH 240.

MATH 100B & 100C – College Algebra
MATH 112 – Trigonometry

MATH 101 – College Algebra
MATH 240 – Pre-Calculus

**To find out if the course you have taken is accepted by Louisiana Tech University, email the institution, course number, and course name to coesugs@latech.edu.

***If you have earned credit for MATH 240 or higher, you will be placed accordingly.
