Directed Electives chosen by the student in consultation with the faculty advisor and approved by the Instrumentation & Control Systems Engineering Technology Chair.

Approved Directed Electives generally include:
1. COES courses to provide background and skills in industry-relevant technical topics
2. Entrepreneurship courses
3. Business courses (limited to 3 credit hours)

Solid line are prerequisites, and dashed lines are corequisites.

*Grade of C or better is required.
Double line indicate permission of instructor required.
Curved corners (MATH 120) may accept as prerequisites MATH 112 and either MATH 100 or MATH 101.
