

Solid line are prerequisites, and dashed lines are corequisites.

*Grade of C or better is required.

Double line indicate GPA ≥ 2.0 required for MATH 240 through 242.

MATH 240 and CHEM 100 do not count toward an industrial engineering degree. Many students will take these courses.

¹Transfer students or existing Louisiana Tech students who have earned more than 60 hours do not take COMM 101. They should substitute COMM 207 or 378 for COMM101.

²The history elective may be selected from the following: HIST 101, 102, 201, 202 or any three credit hour history.

³The art course requirement may be chosen from MUGN 290, THTR 290, KINE 280, or ART 290.

⁴Directed electives chosen by student in consultation with faculty advisor and approved by the Industrial Engineering Program Chair.

⁵The social science electives may be selected from Economics, Geography, Political Science, Psychology, and Sociology.
