Math ACT >26 & high school trig or MATH 100 & 112

1. MATH 240* and CHEM 100 do not count toward an industrial engineering degree. Many students will take these courses.

2. Transfer students or existing Louisiana Tech students who have earned more than 60 hours do not take COMM 101. They should substitute COMM 207 or 378 for COMM101.

3. The history elective may be selected from the following: HIST 101, 102, 201, 202 or any three credit hour history.

4. Directed electives chosen by student in consultation with faculty advisor and approved by the Industrial Engineering Program Chair.

5. The social science electives may be selected from Economics, Geography, Political Science, Psychology, and Sociology.

Solid line are prerequisites, and dashed lines are corequisites.

*Grade of C or better is required.

Double line indicate GPA >2.0 required for MATH 240 through 242.

MATH 240 and CHEM 100 do not count toward an industrial engineering degree. Many students will take these courses.
