

2025 COES Alumni of the Year

Electrical Engineering – Mickey Cox, PhD

- **Education:**

- Louisiana Tech University
 - B.S. in Electrical Engineering (1976)
 - M.S. in Electrical Engineering (1978)
- Louisiana State University (LSU)
 - Ph.D. in Electrical Engineering

- **Academic Career:**

- Professor Emeritus of Electrical Engineering, Louisiana Tech University.
- Dedicated 39 years to educating and mentoring future engineers.
- Taught nearly 40 different courses.
- Advised numerous graduate students.
- Conducted impactful research in power systems and electrical engineering.

- **Professional Achievements & Recognition:**

- Licensed Professional Engineer (PE).
- Lifetime Senior Member, IEEE.
- Recognized for contributions to academia, industry, and professional service.
- Continues to inspire students, faculty, and the engineering community.
